This Range Griddle is a commercial-grade cast aluminum accessory that fits over a burner or element and provides a flat surface for cooking. The smooth griddle side is great for cooking eggs, pancakes and more. Measures 19-1/2"W x 11"D x 1"H. This non-stick has recessed greased wells and can be used across all 2-burner gas and electric range brands without induction; check to see if your model number is compatible. Using this accessory will require no disassembly or repair experience.
