Product Description: The Drew & Jonathan Home Gramercy Server offers ample storage for your table-side needs with five drawers and two cabinets. A medium fawn tone throughout the inset case design showcases the natural grain of oak veneers, accented by smoky gray metal bar pulls. Mix and match the Gramercy Server with other pieces in the Gramercy Collection for perfectly coordinated dining room style.

Collection Features: Drew & Jonathan Home embodies the sense of home hosts of HGTV's "Property Brothers" Drew and Jonathan Scott have felt through every step of their journey—a reflection of their experiences, designed for yours. The Scott Brothers' designs are shaped by their past and present, inspired by the places and people who make them who they are. These pieces represent the guiding principles in their work: Quality craftsmanship, inspirational design, and a desire to improve your everyday life. With casual and refined styles that seamlessly fit into your home, you can focus on what matters most: making memories of your own. The Drew & Jonathan Home Gramercy collection provides the feel of cherished, passed-down pieces paired with a more modern silhouette. The result: a warm, updated collection designed for today's spaces and lifestyles. A medium fawn shade throughout the collection showcases the natural grain of oak veneers. Drew and Jonathan's experience in designing to scale shines through, with no compromises made on details such as framed drawer fronts and smoky gray metal bar pulls.

Drawer Construction: Drew & Jonathan Home offers full height, full depth and full width drawers for maximum storage capacity. All drawers have strong, time-tested English or French dovetail construction, for years of problem-free use. Plywood drawer bottoms are attached to plywood drawer sides for strength and durability. Metal side guides or wood on wood guide systems operate smoothly.

Frame Construction: Drew & Jonathan Home uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Cleaning Information: L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
