

ADELENE

CHAIR | CM6214-CH

DETAILS:

This refreshing mix of Mid Century Modern and a hint of Art Deco provides a refreshing theme that maintains a sense of sophistication. Soft textured woven fabric sets the tone. Arched armrests effectively correspond to the angles of the uniquely geometric chrome feet. Bountiful broad seats and equally plush back cushions provide exceptionally soft comfort and the addition of removable matching padded armrest buffers allow versatility in the accommodation of relaxation.
