From our family to yours

Outdoor living is a lifestyle. A lifestyle that brings you relaxation, well-being and priceless moments with family and friends. It's about surrounding your outdoor space with products that reflect your style and make you feel good. With over 36 years in the hearth, gourmet grill and outdoor living industries we are able to offer you a wide range of products with some of the strongest warranties in the industry. The years of experience, care and quality results in the creation of products that possess a timeless and enduring style, worthy of a place in your home. Our products are available for viewing at an authorized Napoleon® dealer near you or online at napoleonfireplaces.com and napoleongrills.com.

Why Napoleon®?

Making your life easier... Napoleon® outdoor fireplace products are designed to provide you absolute comfort and control at the touch of your fingertips. It's that easy. When you install a Napoleon® outdoor fireplace product, you can rest assured that you will enjoy a lifetime of instant ambiance with reliable performance year after year.

Highest efficiencies, maximum comfort... Years of research, design and testing have enhanced optimum performance allowing Napoleon® products to achieve some of the highest heater rating efficiencies on the market. Napoleon® continuously surpasses industry standards not only in appearance but in efficiency and performance.

Beautiful fires, best flame in the industry... With advanced burner technology and innovative design, Napoleon's flame and exclusive PHAZER® log sets are so realistic it's hard to tell the difference from a real wood burning fire.

Authorized dealer support network... With over 3,000 reputable authorized dealers across North America, Napoleon® works hard to provide consistent, professional training and technical education to support our dedicated team of professionals.

The Galaxy™ - GSS48 & GSS48ST

A Perfect Addition

Napoleon's Galaxy™ outdoor linear gas fireplace is constructed of weather resistant brushed stainless steel for maximum outdoor durability. The GSS48 & GSS48ST (See Thru) features an "easy start" ignitor, a glass wind deflector (two included with See Thru unit) to ensure operation in windy conditions as well as a safety valve that turns the gas supply off if the flame goes out. With all these features plus the option of either a one-sided or a See Thru unit the outdoor linear gas fireplace is the perfect addition to any backyard oasis.
