1200-0456

Overall: 3.5", 4.5"h x 4,4.75"dia

Finish: Clear

Materials: Glass

Availability: as of 9/16/2021 6:15:46 AM

Item Weight: 7 lb

There is quite a process behind the luminosity of the Medici Glass Sphere Set. Both of these decorative clear glass balls are polished by hand to become perfectly round and then carved just as stone would be cut into to form an artistic swirl. After being polished, the balls are frosted, and then the striations are polished again, which makes them clear. This process brings these decorative accessories a brilliant texture.
