Features:

- Features Leather Match upholstery
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of low melt fiber wrapped over high quality foam
- Features metal drop-in unitized seat box for strength and durability
- All metal construction to the floor for strength and durability
- The power reclining mechanism features infinite positions for comfort
- Features Pad over Chaise Scoop Seating
- Loveseat features console storage and 2 cup holders
- This collection features Easy View™ Power Adjustable Headrests
- The power control features a USB charging port
- Zero-Draw technology only consumes power when the USB receptacle is in use
