36" ELISE DUAL FUEL RANGE

MODEL: **AEL361DF**

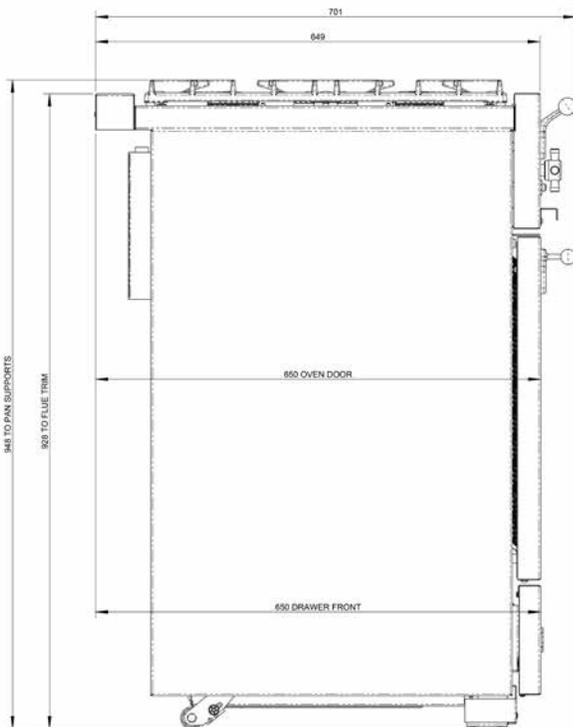

In the re-imagining of the classic Elise design, AGA took its cues from the modern farmhouse movement itself. Rustic yet refined, the Elise blends old and new in masterful ways, both fresh and timeless, with just a hint of the exquisite.

To meet the color demands of the modern homeowner, the Elise will soon offer a newly expanded palette designed to match the natural shades of a British-inspired landscape.

Exciting and fresh new colors will be launching in Spring of 2022.

Complimented by stunning new cruciform knobs with knurling, available in a selection of versatile hardware finishes, the re-imagined Elise confidently steps into the spotlight along side its classic AGA siblings.
