MOE'S

Camilla Queen Bed Oat

That wave headboard is pure art deco rhythm—Camilla makes the room feel instantly composed. The stepped-down frame detail gives the headboard depth you notice from every angle, while the padded surface keeps it easy to lean into. Upholstered in oat polyester over foam and fiber, it sits inside a solid ash frame for clean-lined contrast. Plywood slats support your mattress directly, so your setup stays streamlined with no box spring. Consider it the kind of statement that still plays nicely with your sheets.

- Wave Headboard Lines: Art deco-inspired curves and an inset frame create a wave effect that reads graphic, calm, and intentional from the foot of the bed.
- Ash And Upholstery: A solid ash frame pairs with oat 100% polyester upholstery, cushioning foam and fiber for a supportive backrest you can lean into.
- Stepped-Down Detail: The stepped-down, inset technique adds dimension to the headboard, framing the upholstery neatly and keeping the profile crisp and considered.
- Mattress-Ready Design: Includes a slat system that prevents sinking or shifting, eliminating the need for a box spring and working with adjustable base frames.

Item Code	FO-1037-05-0
Swatch Code	SWFO-OAT7
Country Of Origin	VIETNAM
Product Materials	Upholstery: 100% Polyester, Frame: Ash, Fill: Foam and Fiber
General Dimensions	73.0” W X 85.0” D X 50.0” H
