NOTES

- Power lift mechanism makes it easy to get out of your seat, taking pressure off your back and legs
- Lay-flat mechanism allows you to fully recline for a quick snooze or longer sleeping comfort
- Built to last with our patented Flexsteel DualFlex Steel Spring™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Stay comfortable with a ten-button hand wand that allows you to efficiently control power lift, recline, headrest and lumbar functions
- Home button returns the headrest, footrest and lumbar support to their original positions with one touch
- USB port built into hand wand for convenient charging
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline
- Available in two color options of durable, cleanable 100-percent polyester fabric that will withstand everyday use by an active family
- Weight capacity of 350lbs comfortably accommodates a wide range of body types
- Power mechanisms allow you to smoothly recline to any position, adjust the headrest, and adjust the lumbar support.
- Ten-button wired hand control on the right-hand side of the recliner allows you to control the reclining, headrest, footrest, and lumbar mechanisms independently. A single USB port is included on the top of the hand control.
- A home feature returns the recliner, headrest, backrest, footrest, and lumbar support to their original positions.
