Suggested Bulb: A Standard Bulb

Socket Type: E26

150/150

Cord: 7' Silver

Switch: 3-Way Turn Knob

Shade: Natural Linen

Shade Dimensions: 18" x 11"h

The Water-borne Table Lamp, with its flowing peaks and valleys, looks like a gushing stream in the springtime. Made of ceramic, the artful composition is covered in a forest reactive glaze with green hues filling the valleys and tan tones enlivening its peaks. The green lamp rises from a metal base in an antique brass finish and a matching finial fastens the drum shade to the fixture.
