

Gold Cordon Mirror

DM114 GLD

Availability: In Stock

DESCRIPTION

Harkening back to the days when escutcheons were de rigueur, we've taken the coat-of-arms shape and modernized it with our Gold Cordon Mirror. To give it an antique appeal that could place its design during those days when the royals were prolific decorative patrons, we have inset the simple inverse round shape with antiqued mirror and treated the iron to a gold finish with plenty of patina. We also offer the Cordon in a rustic iron finish.
