Duke Cast Aluminum Sculpture Black

Sit. Stay. Stand out. A greyhound with a sculptural streak, Duke channels 1920s Art Deco influences with a tall, poised silhouette and clean lines. Cast in metal with a cool, minimalist finish, it brings height, history, and a little grandeur to any space. It's one part vintage nod, one part modern statement—and all presence.

- **Metallic and Maximalist:** The cast-aluminum sculpture pays homage to the 1920s Art Deco era with its bold, metallic presence—a tall, striking greyhound figure.
