Replacement Charcoal Filters for 24" Chimney Hoods

The Sharp SKCH32CFL is a replacement active carbon charcoal filter designed for a Sharp 24 in. Wall Mount Chimney Range Hood (SHC2432FS). These charcoal filters are tailor-made for capturing odors and large airborne particulates floating throughout the room. Keeping your kitchen free of odors is simple with a 24 in. Sharp range hood with a fresh active carbon filter. Sharp's replacement parts are essential for maintaining product performance because your 24 in. range hood is only as powerful and effective as the filter you put inside. Our Sharp range hood charcoal filters are designed specifically for a particular unit style so that our genuine replacement parts fit like a glove.
