

ARTISANS SIDEBOARD

If you had to select a single word to describe the Artisan's Sideboard, sturdy would be a good option. It was designed with a style similar to more primitive, hand-made furniture resulting in strong construction and a casual character. It is made with solid New Zealand pine and trimmed in metal where the top joins the cabinet.

- Three drawers
- Wood shelf
- Center foot
- Adjustable levelers
- New Zealand Pine

Solid Wood - Made using genuine solid wood construction
