**Shipping** LTL  
**Method:**  
**Materials:** Poplar Wood, Cherry Veneer, Resin, MDF  
**Shape:** Round

**Product** The color is medium brown

**Features:** Exceptionally built using poplar Solids, Cherry Veneer, Resin and Engineered Wood products

Construction Details: This table features a solid poplar wood base with detailed resin components for added durability and design. The tabletop is crafted with a cherry veneer over engineered wood for strength and a refined appearance. The entire piece is finished with a protective lacquer coating, offering resistance to scratches and stains. Its 48-inch round shape comfortably seats four to six people.

Shape is round

Product Dimensions: 48"W x 48"D x 30"H, Item Weight: 134 lbs

Item requires assembly of top to base using provided hardware

Base diameter is 28"W so there is 20" to pull in chairs and 11"W of middle of pedestal

Height from floor to apron bottom is 26.5"

Table Apron is 2.25"H and top is 1.25"H Top for total thickness of 3.50"

This piece features veneer work and engineered wood substrates. The wood veneer is used for a smooth and consistent color tone, while the engineered wood beneath it provides strength and structural longevity and allows us to achieve specific looks and functions that are not easy or able to be achieved with solid wood.

Weight Capacity: 300 lbs

Ideal for use as a dining table or foyer table in your kitchen, dining room or entryway or foyer

To clean, wipe clean with a clean dry cloth and dust regularly. If spills occur, wipe spills with a damp cloth and dry immediately. No abrasives or household cleaners which can damage the wood. Drink coasters are recommended
