Shani Bronze Drinks Table

4000-0187

In Stock

Overall: 22.5"h x 9"dia.

Finish: Bronze / Clear

Materials: Iron / Optic Crystal

Item Weight: 32 lbs.

The Shani Bronze Drinks Table is made of bronze-finished metal and discs of clear optic crystal. The profile of this black drinks table makes it an excellent choice for mid-century modern interiors, and it will be particularly perfect for rooms that could use a pop of black. The cap that fastens the top of this columnar drinks table to its pedestal elegantly rises above the surface, adding a unique and distinctive touch to its clean design.
