

CERELIA

POWER SECTIONAL | CM9909GY-SECT-PM

DETAILS:

Infuse your home with an essence of calm and rejuvenation when you incorporate this intriguing piece. Whether sitting up right or lounging back with the footrest propped out, you are sure to find a comfortable experience with this fabric upholstered sectional. Wall-hugger design requires only three inches of space off the wall to recline, so you get more out of your living room space. The bucket wide seats create a comforting seating environment, while the structured arms feature pillow tops showcasing a same-color welt trim that adds to the earthy vibe of the piece.
