## BARTLETT'S ISLAND

A lush rolling island known for its relaxed style of luxurious-simplicity, beauty and elegance inspires this collection's look. The panel bed, based on early 1800s style, features generous, beautifully carved posts and a graceful fireplace mantel top. A unique, curved crown and large raised panels complete the design. The arched panel bed is based upon the arched entryway into the original Bartlett Mansion. The towering 72-inch headboard features a gracefully arched mantel, flanked by Roman posts and raised panels. Both bed designs and coordinating pieces are available in a variety of wood species and finishes.
