

5/0 ASHBURN SLAT BED - COMPLETE

The Ashburn walnut bed is among the most unique pieces in the Monogram Walnut collection. The beauty of this bed is best seen in confluence of subtle details and shapes that set it apart. The centerpiece of those details is the inward beveled solid walnut slats that create dimension and reflection. This allows light to interact with the natural grain of the walnut. A simple but carefully shaped frame creates the structure of the headboard, supporting the slats with a shelter bed. Each element is simple and at the same time intricate as they accentuate the the character of the walnut.
