Wide chaise pad provides ample space and superior comfort
 Large scale design accommodates big and tall users
 Padded headrest takes pressure off your head and neck
 Lay-flat mechanism with extended footrest allows you to fully recline for a quick snooze or longer sleeping comfort
 Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
 Fine tune your comfort with a power control that adjusts the headrest, lumbar support and recline independently
 Power lumbar support takes pressure off the lower back for enhanced comfort
 Home button returns the headrest and footrest to their original positions with one touch
 USB charging port built into power control for convenient charging
 High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline
 A convenient pocket on the side efficiently stores controllers and other small items
 Available in two color options of durable, cleanable 100% polyester fabric that will withstand everyday use by an active family
 Available in one color option of premium leather on key seating areas and armrests for a luxurious look and feel
 Leather match offers matching vinyl on sides and back protects the quality of your furniture for years to come
 Storage console with two beverage holders houses remotes, magazines and more
 Power allows you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.
 A single USB port is included on each power button control on styles with arms.
 A home feature returns the headrest, footrest, and lumbar support to their original positions.

Home Button

The home button returns the headrest, footrest, and lumbar support to their original positions. To activate the home button, press and hold the button used to lower the footrest.
