NOTES

Storage console with two beverage holders houses remotes, magazines and more

Built to last with our patented Flexsteel DualFlex Spring System™ —sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability

Fine tune your comfort with a power control that adjusts the headrest, lumbar support and recline independently

Power lumbar support takes pressure off the lower back for enhanced comfort

Home button returns the headrest and footrest to their original positions with one touch

USB charging port built into power control for convenient charging

High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline

Available in two color options of durable, cleanable 100% polyester fabric that will withstand everyday use by an active family

Available with two color options of premium leather on key seating areas and armrests for a luxurious look and feel

Leather match offers matching vinyl on sides and back protects the quality of your furniture for years to come

Power allows you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.

A single USB port is included on each power button control on styles with arms.

A home feature returns the headrest, footrest, and lumbar support to their original positions.

Home Button

The home button returns the headrest, footrest, and lumbar support to their original positions. To activate the home button, press and hold the button used to lower the footrest.
