PRODUCT DESCRIPTION

Focus on function. This practical power rocker recliner balances contemporary character and irresistible comfort. Its affordable, expertly matched leather and faux leather upholstery keeps your style up to speed without breaking the bank. Reclining with the touch of a button, this piece plays well in relaxed, luxe seating areas made for quality time.

- One-touch power control with adjustable positions and zero-draw USB port
- Zero-draw technology only consumes power when the USB receptacle is in use
- Corner-blocked frame with metal reinforced seat
- Attached cushions
- High-resiliency foam cushions wrapped in thick poly fiber
- Genuine leather typically covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Gentle rocking motion
- Power cord included; UL Listed
