COPPER INFUSED MEMORY FOAM

Not only is copper beneficial for our bodies, it is anti-inflammatory, anti-bacterial, and anti-microbial - keeping heat and germs away from your mattress. This is why we developed a way to include copper within our mattress. By including copper, we can offer a cool, clean and healthy sleeping environment that can fit all lifestyles.

- Premium Cool-To-The-Touch Ultra Cooling Cover
- 3" Copper and Cooling Gel Infused Elite Memory Foam
- 1" Gentle Support Transition Foam
- 7" Synergy Support System
