

Thank you for purchasing this quality product. Be sure to check all packing materials carefully for small parts, which may have come loose inside the carton during shipment. Identify and count all items and compare with the parts list and/or hardware list shown below.

Please read all instructions carefully. See the hardware and furniture part listing for guidance. Be sure you have all parts listed before beginning assembly. Place all wooden parts on a clean, flat surface to protect the finish from scratches. Follow the diagram to assemble.
