Features:
• Features Leather Match upholstery • Genuine leather typically covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
• Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation • Natural variations make each hide unique and do not detract from the wearing qualities of leather
• Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
• Frame components are secured with combinations of glue, blocks, interlocking panels and staples
• All fabrics are pre-approved for wearability and durability against AHFA standards
• Cushions are constructed of High-resiliency foam cushions wrapped in thick poly fiber
• The Sofa features a Drop-Down Table with LED reading lights, dual cup holders and built-in audio system with wireless connectivity
• The Loveseat features a Center Console with 2 cup holders and hidden storage
• One-touch power control with adjustable positions, Easy View™ Adjustable Headrest, USB-C fast charging and Zero-Draw USB-A port
• Zero-Draw Technology only consumes power when the USB receptacle is in use
• Zero-Gravity Mechanism allows optimum reclining comfort with infinite reclining positions at the touch of a button
• Features metal drop-in unitized seat box for strength and durability
• All metal construction to the floor for strength and durability
• The reclining mechanism features infinite positions for comfort
