Availability: as of 9/15/2021 9:04:46 AM

Item Weight: 20 lb

Number of Lights: 6

Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 60/360

The handcrafted metal body of the Firebird Chandelier forms a structure onto which our skilled artisans attached graduated crystals that form glinting ribs. Ian Thornton, who designed the silver chandelier, says the fixture was made to have a "tromp l'oeil" effect in that the arms seem to pass in front of and behind each other like crystal ribbons. The contemporary silver leaf finish adds to the luminous sheen of the Firebird.
