NOTES

- Upholstery Material: Fabric
- Lay-flat mechanism accommodates occupants weighing up to 300 pounds.
- Extended footrest.
- Removable backs allow for easy lifting and maneuvering through doorways.
- Power allows you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.
- A single USB port is included on each power button control on styles with arms.
- A home feature returns the headrest, footrest, and lumbar support to their original positions.

Home Button
The home button returns the headrest, footrest, and lumbar support to their original positions. To activate the home button, press and hold the button used to lower the footrest.

MyRecline F4 Mobile App
Download the free MyRecline F4 app to program memory positions and use your device as a wireless remote control.
