BED | CM7178BL

DETAILS:

There's something special about a round bed, and this piece certainly exudes that air of glamour. It is upholstered in velvet-like fabric and tufted all around with acrylic crystals. The stylish wingback headboard with nailheads curls up top into a chesterfield-inspired design. Then there's the USB port present on each side of the headboard to keep your electronics charged up. Just imagine yourself opening a door and being greeted by this sultry--and surprisingly tech-forward--masterpiece.
