COLLECTION: MODERN PRINCIPLES

DIMENSIONS: 25.75W x 25.25D x 32H

With a curved, partially open barrel-back, the Balance chair warmly wraps a seemingly floating seat in Sun Drenched quarter sawn oak. A luxurious, light-toned fabric adds subtle texture and soft contrast in perfect harmony with the natural beauty of wood. Makes a refined modern statement on its own; even more eye-catching in pairs when used to create a cozy seating nook.
