SOFA | SM5120-SF

DETAILS:

Upholstered in a fuzzy-than-ordinary chenille fabric and accented by a variety of beige highlights, this set exudes an aura of warmth and welcome. Chic and brimming in softness, the texture complements the slightly rounded silhouette of each piece perfectly. Lounge on the wide, firm seat cushions or lean your head over the low, padded structured track arms. Accent pillows and the matching ottoman feature a distinct line pattern that give them enough contemporary appeal.
