

Cosmo Performance Pillow

Sizes Available: 0.0, 1.0, 2.0, 3.0

The Technology Behind The Innovation:

- **Ver-Tex™ Cover** - Instant-cooling fabric designed to help reduce overheating by dissipating heat away from your body.
- **Cooling Active Core™** – A breathable inner core with our proprietary fill technology that helps reduce overheating by absorbing and dissipating heat, while maintaining consistent comfort and support.
- **React™ Blend** – Proprietary blend of responsive foam that includes shredded React materials mixed with silk-like fibers for a softer, plush feel.
- **Air-X® Mesh and Air Vents** - Engineered to promote continuous airflow and direct heat away from the body to help prevent overheating.
- **Removable Washable Cover** – Designed for easy care—just unzip and wash to keep your pillow fresh, night after night.
- **Personalized Fit**– Available in four profiles to deliver ideal comfort, support, and alignment for your body type and sleep position.
- **Available in both Personal Performance® size and King size..**
- **Bedgear Pillows are manufactured in the USA**
