Heidi Storage Ottoman Light Blue

Pretty on the outside, sneaky on the inside. The Heidi ottoman brings vintage-inspired softness with its gathered skirt, then turns practical with lift-top storage for the little things that roam. Upholstered in a micro-textured light blue fabric, PFA-free and C0 treated, it adds color and character without shouting. Inside, foam-and-fiber cushioning sits on a plywood frame for a comfortable, steady perch. Flip the lid, stash the clutter, and call it a win for everyday living.

- Skirted Silhouette: Gathered pleats and a full skirt soften the profile, giving this ottoman a vintage nod that still feels clean and current.
- Performance Blue Texture: Micro-textured light blue polyester feels crisp and calm, finished with PFA-free, C0 performance treatment to help everyday messes stay manageable.
- Supportive Core: Foam-and-fiber fill cushions the top, while a plywood frame keeps everything steady, so it works as seating or a footrest.
- Lift-Top Storage: Lift the seat to access hidden storage with a ventilation hole, handy for throws, remotes, or the stuff you'd rather not see.
- PFA-Free, C0 Performance Treated Fabric
