TRIPLE MULTI USE STORAGE UNIT - COMPLETE

Structures

Measuring 81 inches long, the Triple Multi Storage configuration offers a functional mix of open display and closed storage. The double open section (shown here as the top right area) includes adjustable and removable shelves and sits above a double door lower section also containing an adjustable shelf. The left side shows a tall door unit above a drawer storage unit that can be used for file storage. Each door - there are three doors in this configuration - includes both a glass and wood panel that can be easily changed.

- Birch veneers and select hardwoods
