

# EVERLASTING COLLECTION | S515, L515, 9MW8\_

With plush, overstuffed cushions and a biscuit back, the Everlasting reclining collection is the definition of comfort. The whole family will love to snuggle up with a warm blanket for movie night – but make sure it's a nail biter so it doesn't lull you to sleep. The Everlasting can be outfitted with power to recline at the push of a button which also features a convenient USB charger. Customize it by choosing over 700 coverings from durable performance fabrics to colorful woven fabrics.

Upgrade your comfort by adding the Power Tilt Headrest option for full head and neck support when reclining back. Complete the look by adding the matching loveseat and recliner.
