

# The perfect combination of powerful ventilation and refined styling

Smoke, grease and cooking odors have no place in the kitchen. But neither do bulky hood vents that overpower your design sensibilities. LG wall mount range hoods have a streamlined, low-profile look, paired with a professional-grade 600 CFM blower for maximum air movement. Quiet performance and a range of 5 fan speeds let you quickly clear the air without interrupting dinner conversations.

**Powerful Ventilation**

**QUICKLY REMOVES SMOKE, GREASE AND COOKING ODORS**

**Quiet Operation**

**CLEAR THE AIR—QUIETLY**

**Style & Design**

**STREAMLINED, LOW-PROFILE DESIGN**

Pair the 30" Hood with an LG Freestanding or Slide-In Range or Choose the 36" Hood for Larger Cooking Surfaces

### Powerful Ventilation

## QUICKLY REMOVES SMOKE, GREASE AND COOKING ODORS

- The superior ventilation of LG range hoods neutralizes smoke, grease and cooking odors by quickly moving them out of the kitchen
- Professional-grade blower adjusts from 200 to 600 CFM for greater ventilation when you need it most

### Quiet Operation

## CLEAR THE AIR—QUIETLY

- Quiet components help dampen noise to keep the kitchen fresh without disrupting dinner conversations
- A range of 5 fan speeds lets you adjust the blower as needed for even quieter performance

### Style & Design

## STREAMLINED, LOW-PROFILE DESIGN

- Chimney-style hood vent offers plenty of design appeal for 30" and 36" spaces without distracting from the overall kitchen aesthetic
- A superior combination of sleek looks and high-tech performance
- PrintProof™ black stainless steel finish resists fingerprints and smudges to keep your kitchen looking its best

# Additional Features

## 5-Speed IR Touch Controls

SLEEK. SEAMLESS. STYLISH.

- Easily control sophisticated vent adjustments with stylish touch controls
- Controls are seamlessly integrated into the hood with no cumbersome knobs to turn (or clean around when cooking is done)
- Gives you complete control over fan speeds, delay-off function, auto reminders and more

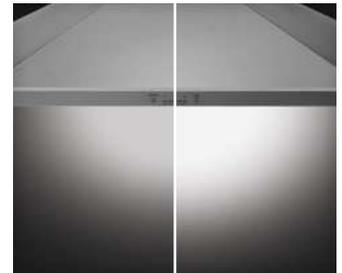

## Dual-Level LED Lighting

ENJOY THE BRIGHTER SIDE OF COOKING

- Provides cooks with the proper lighting to create an ideal workspace
- Two brightness levels means always having the right lighting for the task at hand

## Removable Mesh Filters

COOK MORE. CLEAN LESS.

- Dishwasher-safe aluminum mesh filters keep the air fresh—and cleanup time to a minimum
- Simply pop them into the dishwasher to easily remove smoke buildup and grease splatters, and keep the range hood operating at peak performance
