King (78")	17" x 76" x 79.5"	2x 8.5" x 44" x 80"	280 lb	310 lb

## MAIN FEATURES:

### Zero G™ preset position:

One touch button that raises the legs and the head to promote circulation and relieve pressure off of the lower back.

### Head tilt and posture support:

Adjust independently, the tip of the head section. The posture support motor provides an extra four inches of the lower back support.

### Wall saving design:

Patented technology that keeps the user in reach of their night stand during articulation.

### Offline voice control + Wireless charger:

Simply speak your commands, and Quest 4.0 adjusts to help you relax, reset, or rise to face the day. The puck also serves as a wireless charger for your electronic devices.

### 2-Level massage:

10, 20, and 30 minute timer. Two high-power, low-noise massage motors help you unwind in the comfort of your home.

### Wireless remote with programmable presets:

Two programmable presets to keep your favorite positions within easy reach.

### LED under bed lighting:

Set the mood or find the door - whatever you do with our below-bed LED lighting is up to you. We just don't want you stumbling around in the dark.

### Gravity release safety feature:

Head and foot motors designed to lower the mattress by retracting only with gravity, never pulling downwards, which minimizes pinch points.

### USB Outlet:

Charge your favorite mobile devices with USB outlets on each side of the base.

### Compatible with headboard:

Compatible with our headboards. Headboard brackets sold separately.

### Zero clearance:

The sleek, practical design keeps motors and linkages in a position where they do not interfere with underbed storage, bed slats, or support.

### Battery back up strap:

In the event of a power outage, the base can be brought to a flat position by installing batteries to the emergency strap under the bed.

### Zero Standby Power™ system:

For the energy conscious consumer, the Zero Standby Power System consumes < 1 W when not in use.

### Smart Sync™ pairing system:

Synchronization has never been easier. Simply connect two 39" XL bases with the sync cord provided. Each remote will operate both bases simultaneously. Just plug and go!

### Next generation SilentDrive™ motors:

Head and foot motors engineered to preserve a peaceful sleep environment by creating very little noise when activated.

### 4-Level legs:

4-Level black round legs included: 3", 6", 9" and 19". Different legs can be purchased separately. Designed for full operation with legs or placed on a flat surface.

### Weight limits:

Supports a maximum weight of 750 lbs evenly distributed across the base.

### Nationwide warranty support:

Backed by Ergomotion's 10 Year Limited warranty and industry leading customer service.
