60" RECTANGULAR LEG TABLE, LATTE

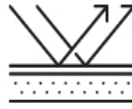

Some dining areas offer enough space to use a rectangular table. While it may not seem like a significant difference, a 60 inch rectangular table offers much more dining space and than a 54 inch round. With the ability to comfortably seat six place settings, the Kafe 60 inch Rectangular Leg Table does an excellent job of merging the casual breakfast nook with the dining capabilities of dedicated dining spaces. This solid wood dining table features solid Alder which is an ideal wood for tables and cabinetry. The top also features our KinGuard performance top coat. This protective finish helps to protect the finish from common food spills by allowing added time to get things cleaned up.
