

Open the dryer to fewer wrinkles whether you toss in an outfit, delicates or an extra-large load with Steam Iron Option*. AI Dry knows exactly when to stop drying your clothes so they come out dry the first time. Ready Refresh Cycle reduces wrinkles in an outfit in about 15 minutes**. And get a smooth and quiet operation with the Quiet Inverter Motor

*Compared to using traditional steam in a 16-lb load
**Based on a 2-lb. load
