## Copper-Powered Layers

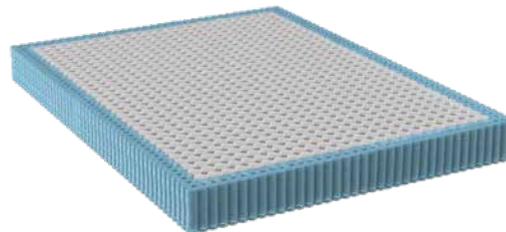

### NATUVEREX™ COPPER FABRICS

- NatuVerex patented yarn technology infuses copper ions into the fabric
- 30% copper content, more than other copper fabrics
- Effective through four layers of fabric
- Kills 99.8% of surface bacteria

### COPPER-INFUSED FOAMS

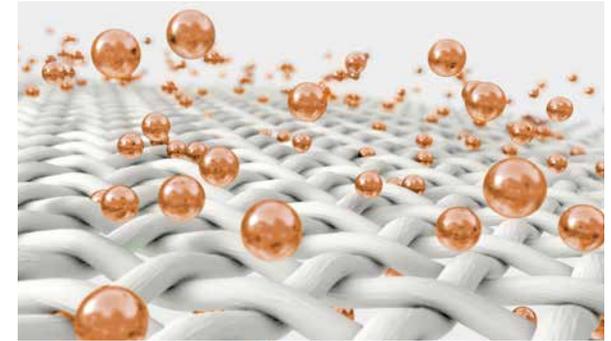

- Homeopathic benefits
- Increased contouring comfort
- Superior pressure relief

### PREMIER SUPPORTIVE SPRING SYSTEM

- Individually-wrapped coils
- Heavy-duty, edge-to-edge support
- Superior conformance and durability

## Copper Ion Technology

### COPPER FIGHTS HARMFUL BACTERIA

1. Copper ions travel from fabric to body of sleeper.
2. Copper helps reduce bad bacteria on the body while also increasing good bacteria. This results in reduced inflammation.
3. NatuVerex Copper fabrics kill 99.8% of bacteria on the surface up through four layers of fabric in a 24-hour period.
4. Reduced inflammation = A healthier night's sleep and a healthier body.
