Description

The Clement Dining Table is all about simple style with major impact, it features a Champagne metal brass finish base to add a polished touch to the design. The top is Eucalyptus Veneers in Smoked Stone finish to help highlight the grain detail for visual interest which is equally sleek and stylish. With the leaves removed at 76" wide the Clement dining table would also work beautifully as an oversized writing desk, it's sure to fit right in with minimalist, Scandinavian, or even modern farmhouse-styled spaces. As a dining table it can seat several people, and the design easily accommodates either chairs or dining benches!
