TENCEL® PANEL

Our ultra-conforming knit panel is made with breathable Tencel®. This panel is eco-friendly and incredibly soft to the touch.

AIRELUXE™ FOAM

An incredibly durable and resilient foam which conforms to your body and aligns your spine to minimize sleep disturbances.

COPPERGEL™ FOAM

Coppergel™ is a hyper-conductive, natural anti-bacterial and anti-viral element that helps to dissipate excess body heat to provide the coolest and most comfortable sleep.

SILK/WOOL

A breathable blend of natural fibers to provide airflow keeps the body cool and dry for lasting comfort.
