

# WILDWOOD CHELSEA HOUSE

## 66853 • Gertrude Lamp

43h x 6w x 6d  
Composite  
Dark Bronze

*Bring a piece of museum quality art to your home or office. This aged dark bronze elongated sculpture with modern, simple lines is crafted of cast composite and stands on a natural black marble base. A neutral light taupe linen drum shade directs the light down to reflect off of the textured sculpture creating a light feature worthy of a console or buffet in any modern design scheme.*
