NOTES

- Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Fine tune your comfort with a power control that adjusts the headrest, footrest and recline independently
- Home button returns the headrest and footrest to their original positions with one touch
- USB charging port built into power control for convenient charging
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline
- Available with two color options of premium leather on key seating areas and armrests for a luxurious look and feel
- Leather match offers matching vinyl on sides and back protects the quality of your furniture for years to come
- Removable back allows for easy lifting and maneuvering through doorways
- Storage console with two beverage holders houses remotes, magazines and more
- Removable backs allow for easy lifting and maneuvering through doorways
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
