

AULETTA

DINING TABLE | CM3417GY-RT

DETAILS:

The dramatically curved legs form unique 'H' designs that attach to the horizontal cross base from which subtle feet emerge. This table offers a rustic favor with a distressed brushed finish that is nicely offset by the vibrancy of the rich wood grain top. A faintly visible plank construction hosts the smooth expansive round surface that is bordered with wide edge molding. Natural blemishes enhance the essence of the wood.
