

Luxurious Tencel Cover:

SUSTAINABLE COMFORT

Naturally moisture wicking to help regulate temperature while you sleep by moving heat and moisture away from the skin surface.

Supportive Natural Latex:

PRESSURE RELIEVING

Ultimate pressure relief while providing a weightless feel. Environmentally-friendly, hypo-allergenic, anti-microbial, and extremely breathable.

Natural Latex Support Core:

WEIGHTLESS RELIEF

Buoyant, weightless pressure relief. Ventilated for maximum breathability. Instantly conforms to your body to relieve pressure.
