### Key Features & Benefits

#### Most Powerful Motor on the Market††

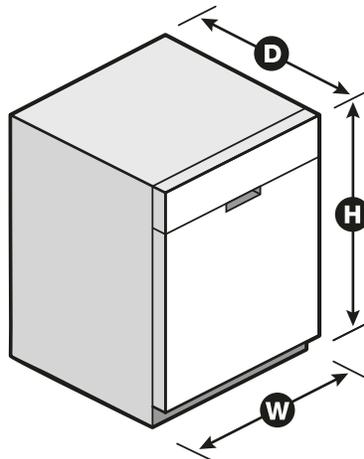

Maytag® dishwashers feature the most powerful motor on the market.†† Powerful enough to handle dried-on egg yolk and peanut butter without pre-rinsing, this motor can handle your dirtiest dishes.

#### 4-Blade Stainless Steel Chopper

No more scraping plates. The 4-blade stainless steel chopper disintegrates the food particles that come off your dishes so they don't end up recirculating and sticking to your dishes and glassware.

#### PowerBlast® Cycle

The PowerBlast® cycle removes stuck-on food with high-pressure spray jets, increased temperatures and hot steam to finish the job.
