

White wash finish on select hardwoods and veneers with heavy distressing

The interior of the cabinet is made with a natural wood finish

This unique bar cabinet features distinctive hand carved door panels with tab pulls finished in charcoal grey and a wooden legged base

180-degree continuous hinges allow doors to open wide for easy serving

Doors feature a generous amount of room on the backside for liquor and glassware storage

Two fixed wooden stemware racks can store up to 18 large wine glasses

An accessory drawer for ample utensil storage features quality dovetail construction with smooth running metal slides

A fixed shelf above the accessory drawer is provided for additional storage

Three adjustable shelves store up to 12 bottles of wine

Each shelf is reversible so that it can be used for alternate storage

Multiple levels are provided for shelf adjustment

Adjustable levelers under each corner provide stability on uneven and carpeted floors
