### / QUILT LAYER

Featuring Tencel fabric, a sustainably sourced fiber used in athletic wear, designed to wick away moisture and keep you comfortable.

### 2 COMFORT LAYER

PrimaSense Memory Foam works with four and a half inches of Premium Gel Foam comfort layers to deliver an elevated feel.

### 3 INTELICOIL® ADVANCED

K 1954 · Q 1504 · D 1288 · TXL 984

Our one-of-a-kind innerspring design, with densely packed coils provides even more adaptive support for every type of sleeper.

### 4 VENTED PRECISION EDGE

Innovative system of firmer coils offers better support than a hardened foam edge with improved breathability and a longer more durable lifespan.

Ventilated coils help prevent heat build-up in your mattress to promote cool, comfortable deep slumber throughout the night.
