Item Weight: 3 lb

Number of Lights: 1

Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 60/60

Our Moderne White Wall Sconce is a study in contrasts, from its rounded and straight forms to its interplay of gesso white and contemporary gold leaf finishes. Tom Caldwell, its creator, said the white and gold sconce was inspired by old movie theater wall sconces: "They are smaller scaled than the old-school lighting, and they feature gold leaf accents on both the white and black versions." He also notes they create a wonderful ambient light on the walls of any room.
