Casual European country inspired homes is the essence for the new Southbury Collection. Working with different textures and finishes give us the look and feel of old world treasures. Design elements such as fluted post; picture framed moldings around the ends panels, subtle shapes and tapered legs with a beautiful drop ring hardware that adorn the cases. Southbury has a time worn look and feel in a nice selection of bedroom and dining room. To achieve this time worn look we use Wirebrushed oak veneers with a parchment finish on the cases and a warm fossil wood tone finish on tops with glaze.

Wildfire

The natural character of solid wood takes center stage with the new Wildfire Collection by Kincaid. What makes this such a hot collection you ask...it starts with the charred ember finish that gives it an original personality. Shapes inspired by architectural design and an abundance of artistic handwork also set Wildfire apart from the masses.
